QUALITY | VALUE | SERVICE

O-RINGS

Common O-Rings are readily available from Hercules OEM Group in many sizes and materials for multiple uses. We can even customize the size and material size to precisely fit your application.

STANDARD & CUSTOM PISTON SEALS

Our piston seals are designed to meet demanding OEM application requirements. From convenient in-stock designs to custom requirements, we'll meet your needs.

STANDARD & CUSTOM ROD SEALS

As a dynamic barrier to keep fluid contained, rod seals have an important job. To meet these needs Hercules OEM Group offers many types of rod seals to solve any problem.

MACHINED PLASTIC PARTS

We have options for applications requiring special seals or custom shapes, including designs for parts produced from machined plastic, like PTFE, PEEK, PA, POM, ACETAL, PAI, PPS, and more.

WIPERS

Excluding contaminants is critical to application longevity and on-going peak performance quality. To find the best wipers and the largest inventory, come to Hercules OEM Group.

WEAR GUIDES

Choosing the correct bearing is essential in maintaining product performance. Hercules OEM Group has many options, including style, split preference and material types.

CUSTOM MOLDED PARTS

When the need is for non-seal type molded parts, Hercules OEM Group can help. For bumpers, caps, gaskets, bellows, handles, washers, etc., Hercules OEM Group delivers.

PRECISION PRODUCTS

High precision machined metal parts are also available through Hercules OEM Group. We offer steel, aluminum and other metal products, and can bond them with rubber shapes as well.

RADIAL SHAFT SEALS

Hercules OEM Group can cover all your rotary sealing needs with our extensive range of radial seals in many different styles, sizes and materials. With years of experience in the industry, we can make recommendations for all your rotary applications.

PTFE SEALS

PTFE seals can be the answer to tricky sealing applications when elastomers don't work. O-Rings, spring energized seals, gaskets and back-up rings can all be used when the application calls for extreme temperatures or the sealing of aggressive media.

MECHANICAL SEALS

High performance is a must for mechanical seals, given the conditions they operate under. An extensive selection, stocked for same day shipment is also crucial to your needs. Count on us for the best quality and selection.

GASKETS

Gaskets come in all shapes and sizes. Hercules OEM Group can supply gaskets in a variety of materials to cover all your sealing needs. With either small sample runs and high production usage, we have you covered.

LIMITED WARRANTY Hercules OEM Group ("Seller") warrants that its products ("Goods") will perform in accordance with their specifications; that the goods will be free from manufacturing defects for a period of twelve (12) months from the date of delivery of the goods to Buyer; and that the goods will be as specified by Buyer in the purchase order. Seller should have the right to elect to either refund the purchase price for any defective goods or replace any defective goods, provided that the goods were used in the manner for which they were manufactured. Seller does not warrant that the goods are fit for any particular purpose. Seller should have no obligation to refund the purchase price or replace goods that are rendered defective by a Buyer or a third party after they leave Seller's place of shipment.

LIMITED LIABILITY Seller's liability for its goods is limited to their terms set forth in Seller's express warranty set for above, in no event shall Seller's liability exceed the total purchase order price. Seller is not assuming any liability for any indirect, collateral, special, incidental or consequential losses or damages suffered by Buyer, or by any end-user or other third party, including but not limited to, lost profits, loss of business reputation and/or lost business opportunity, for any possible cause of action or claim arising out of or related to the goods sold to Buyer, even if Seller has been advised of the possibility of such loss or damage.
